(Dacono, CO 06-30-2012) A world class fireworks display lit up the night sky sending "ooos" and "ahhhs" throughout the packed Colorado National Speedway grandstands. Yet even the fireworks couldn't match the action on the track during the Oskar Blues Brewery 4th of July Race at CNS. Rookie driver Blake Harris from Wheat Ridge driving the black #26 Monte Carlo made a daring last lap pass on #11 Darren Robertson to win the 100 lap main event stunning the huge field of drivers who showed up for the event.
