Starting top 5: #31 Richard Smith, #33 Emett Grazier, #66 Darren Bucklen, #91 Chris Atkinson, #27 Roger Avants

4 laps into the 40 lap main event, #44 Darren Bucklen effortlessly came around the outside of #31 Rick Smith to take the lead. Moments later a piece of debris flew off of a vehicle bringing on caution. Bucklen and Smith went head to head at the restart with Bucklen once again taking the lead. The competition behind Bucklen was fierce as #74 Dan Savage, #31 Rick Smith and #27 Roger Avants battled for 2nd. When the dust settled, Savage had a grip on 2nd place but Smith wasn't far behind. 12 laps in, #33 Emett Grazier and #54 Joe James Jr got into each other going between turns 3 and 4 bringing on yet another yellow flag. Bruce Yackey used the restart to jump into 2nd place, leaving Dan Savage safely behind him. Another restart brought on by a spin out courtesy of #33 Emett Grazier saw Bucklen back into the lead as Bruce Yackey and Rick Smith battled door handle to door handle for 2nd place! Yackey took 2nd behind Bucklen with only 1 lap to go. At the checkered flag it was Darren Bucklen for his first win EVER at Colorado National Speedway. Yackey took 2nd followed by Roger Avants and Rick Smith.

Pair-A-Dice Sportsman

Starting top 5: #8 Jeff Walbaum, #84 Bruce Borchardt, #62 Jim Bob Rogers, #98 Lee Kemmit, #6 Tommy Roe

Rounding turn 4 at lap 8, #8 Jeff Walbaum had created a comfortable lead for himself. #62 Jim Bob Rogers was in pursuit, nearly catching up to him but Walbaum caught a boost of speed and regained a comfortable 8 car length lead. By lap 11 the leaders were navigating lapped traffic. It

didn't look like anyone would catch up to Jeff Walbaum with only 6 laps to go in the 30 lap Main Event. Fortune smiled upon Jim Bob Rogers when #02 Rick Hunt spun out coming around turn 2 bringing on a double file restart and a chance to take down the lightning quick Walbaum. The good luck took a turn for the worse when Walbaum and Rogers got into each other going along the back stretch at the restart. Both vehicles were too badly damaged to continue. For the restart, 1st place was bequeathed to #84 Bruce Borchardt and #98 Lee Kemmit had 2nd. When the green flag flew, Borchardt stuck his lead as #26 Bear Lynch came round the outside of #98 Lee Kemmit AND #6 Tommy Roe to take 2nd place! Borchardt and Lynch rounded turn 4 neck and neck and Borchardt took the win!
