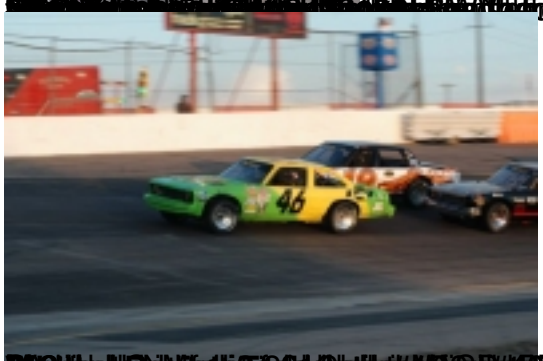
It was a night of thrills and spills at CNS as cars wrecked and a past champ returned to the oval for a Mother's day race that most moms won't soon forget!


Gillett Veterinary Clinic Late Models
Starting Top 5: 12, 74, 27, 42, 31
40 Laps
The Late Models didn't disappoint, putting on a show for the ages as #12 Bruce Yackey, #74 Dan Savage and #42 Ronnie Hults shuffled back and forth in an epic battle for the lead. Yackey's time in 1st was short lived but not easily given up as "Speedy" Ronnie Hults and "The Savage Man" Dan Savage ganged up on the multiple time CNS Late Model championship winner and passed him with 25 laps to go in the 40 lap event. #90 Frank Denning spun out in turn 2 bringing on caution and a double file restart. The leader Dan Savage opted to take the outside on the restart. It was a wise tactic against Hults who has a penchant for taking down competitors via the outside. Savage took the lead but Hults found his groove on the inside and pulled up for an old fashioned drag race. Not a moment after Ronnie snagged the lead, Grazier and Fisbeck got together bringing on caution. The fate of Dan Savage seemed sealed when Ronnie opted for the outside on the restart. Racing resumed and Hults shot to a 5 car length lead but contact between hard charger #66 Darren Bucklen and #27 Roger Avants sent Avants careening into the wall between turns 3 and 4. A pile up ensued and severe damage to the #27 and #66 machines ended both drivers chances at winning the feature. Racing resumed with Hults back on the outside of row 1 and subsequently back into the lead. Hults took the win followed by Dan Savage, Bruce Yackey and #55 Jesse Runkle.
