(Dacono, CO 08-20-2011) Gering Nebraska's Rick Smith showed the Colorado drivers the fast line winning Whelen night at CNS. A warm summer night celebrated Colorado's rich racing heritage as Colorado Motorsports Hall of Fame inductees were honored and vintage race cars from the CVOR entertained the crowd.

GILLETT VET CLINIC LATE MODELS
An impressive field of Gillett Vet Clinic Late Models lined up for a 40 lap main event with #31 Rick Smith and #12 Bruce Yackey on the front row. Rick Smith built an early 10 car lead on Yackey who was getting heavy pressure from #74 Dan Savage. The battle for second place brought the CNS crowd to their feet as Yackey, Savage, #78 Darren Crocker, #27 Roger Avants, #95 Dave Finley, #83s Jim Sikes Jr. were all within striking distance. Unfortunately for Avants, he suffered mechanical problems sending a shower of sparks into the night sky ending his night. On the restart Yackey was able to gain the lead over Smith but that lead was short lived as Smith reasserted himself into the top spot. At the finish it was #31 Rick Smith, #74 Dan Savage, #12 Bruce Yackey, #78 Darren Crocker, and #11 Darren Robertson rounded out the top 5.

Qualifying race winners: #31 Rick Smith & #12 Bruce Yackey
