Get ready for an intimidating field of Super Stocks. The insane Figure Eighters will be here for some close calls in the X. Legend drivers Wayne Barlock and Kyle Clegg will duke it out for second in points, so you won't want to miss our last Legend race of the season. The modified coupes will be here for some open wheel racing and the lightning fast Super Modified will bring a serious competition to the track as well. And of course, it just wouldn't be the same without those ridiculous buses to finish the evening off.

RED BULL STUNT TEAM

The Red Bull motorcycle stunt team will be performing at CNS during intermission at this weekends race (9-19-2009). You wont want to miss this!

09-26-2009 2009 (LM 100 LAPS PT SP GAM TR)

The Pro Trucks will hit the track as well, along with the Sportsman and the Grand American Modified. The trains will cap off the 2009 season at Colorado National Speedway.

The final two special events at CNS will be only \$15 for adults, \$6 for kids and as always, little
