

May means a lot for CNS race fans. Not only do we have some of our most anticipated races of the season coming up, but May signals the unofficial start of summer which means clear skies, warm weather, huge car counts and (finally) a dry track!

May 8th is our annual **Mother's Day** celebration. Mom gets reduced admission, a chance to burn some rubber on the track in our infamous "Fab 4" intermission spectacular and a night of memories she won't soon forget. Our 2009 champ Bruce Yackey will take on over a dozen NASCAR greats including Cris Muhler, Ronnie Hults and Chris Eggleston in our first Speedys Auto Sales Late Model race of 2010! Country music fans are in for a treat because KYGO will be live in person in our ALL NEW Beer Garden!

May 15

Things only get better from there! On May 15th we've got a HUGE show that no motor sports fan should miss. Stock car and open wheel fans get ready because Speedys Auto Sales Late Models, the Two Doors Down Bar and Grill Figure 8s, Sunoco Grand American Modifieds and the Sheds-R-Us Super Stocks will be ready to provide some ground pounding, NASCAR racing action of their own! Translation for the motor sports novice: Lots of different kinds of really fast cars will be-a-racin'!
