CNS would be nothing without you. We mean it. So, to show our gratitude for your support of our racing program, we're inviting you out for a full day of FREE fun at Colorado National Speedway! ($15 entry pitside)

Friday, Sept 25th we'll open our gates for our 2nd to last event of the 2009 season. Plenty of your favorite drivers will be out to start hot laps at 10AM SHARP. The price you pay to enter - $0. You read correctly, there is no charge to enter this event! Call in sick, take a vacation day... do whatever you can to come down and enjoy the day with us.

While you watch hot laps from 10AM - 3PM, the beer garden will be open in hospitality, ready to slake your thirst with moderately priced beer. Come hungry because our concessions will be open, serving our entire menu of great food all day long. Have a hot rod, street rod, rat rod, classic or vintage car or bike that you want to show off? After we finish up with hot laps, we'll ask anyone who'd like to participate to bring their car to the track for the last car show of the season.

BUT THAT'S NOT ALL

Starting at 6PM we'll have a band on hand to sing us into the evening. The whole thing wraps up at 9PM!

Racing, beer, food, music, dancing and MORE?!? You'd be crazy not to miss our farewell party. So play hooky Friday September 25th and we'll see ya at CNS!

You've Gotta Be Here!
