Among the talent at Colorado National Speedway, Adam Deines, Blackie Blackard, Chris Leaf and Happy Ferree all brought their A Game for the first night of the Independence Day marathon. But Jim Bob Rogers and Cris Muhler just couldn't be taken down.

Pair-A-Dice Sportsman
#62 Jim Bob Rogers started the 30 lap Sportsman A Main on the pole. #99 Nick Brinlee had the outside of row 1. In row 2 #39 Scott Estes had the inside with #38 Frankie Estes on his outside. At lap 10 our point leader #64 Blackie Blackard had taken 2nd place behind Jim Bob, #6 Tommy Roe had 3rd. Try as Blackie might, Jim Bob had a solid hold on his lead and rode it the remaining 20 laps to victory. Blackard took 2nd followed by Roe and #8 Jeff Walbaum.

Snap-On Tools Pro Trucks
#74 Cris Muhler held the lead for the first 16 laps of the 30 lapper. At lap 17 the #7 of Adam Deines pulled up along side Muhler, and the two rode nose to nose, locked together through 8 straight laps. A spin out in turn 4 lined the trucks back up for a restart and upon reviewing the last completed lap, Adam Deines was ruled the leader. Deines opted to take the inside for the restart. One lap later, Muhler had taken back the top spot. Meanwhile #1 Happy Ferree was painstakingly making his way up the field. Happy had started in 16th place. At lap 23 Ferree made a daring, 3 wide pass along the outside of the front stretch for 6th. #07 Chris Leaf passed Deines for 2nd. At the finish it was #74 Cris Muhler, #07 Chris Leaf, #7 Adam Deines and #1 Happy Ferree.
